

# ALI BARTER

Equal parts sassy, savage, sincere.

Born in Melbourne, she crafts pop-rock gems driven by her crystalline vocals, crafting a sound that would slip effortlessly into an American teen coming-of-age movie.

With features in **NME**, **Rollingstone**, **DIY mag**, winning **Triple J Unearthed**, being a certified triple J DARLING on top of global Beats 1, The 406 + more on the unconventional pop star. Selling thousands of tickets across the country and touring with superstars Vance Joy, Boy & Bear and more.

Celebrating being a woman but the trials and tribulations and bullsh\*t that comes with it in a true tongue in cheek, digestible fashion (HEY ALEXA - PLAY 'GIRLIE BITS' BY Ali Barter or 'UR A PIECE OF SHIT'), championing feminism, honouring our bodies and the art of femininity with a bold and brave attitude.

Ali is an icon for young Aussie girls, so desperately seeking someone to look up to that 'TELLS IT HOW IT IS!', not shy away from the bad and the ugly.

Listening to her songs and her lyrics, even her music videos, it's no secret that the truth she speaks is unfiltered and raw as hell.
